Raffle Tickets
Have you returned your raffle tickets? We must have them returned this week whether sold or unsold!

“For any stall holders who have any dockets, please give to Nicholle Rauchle on the morning of the FETE. She will be situated in the office. You must have your dockets for any payment”.

Fete
Preparations are well in hand for this years Fete on Saturday. As this is the P&C major fundraiser for the year please come along and support the school. We are still looking for helpers!

Great news
William Cassell was selected on Friday for the Western Boys Hockey team. We have just learnt today that Stacey Ross, (who was originally selected as a reserve for the Western Girls Hockey team) has now been called up to the full team. This is fantastic for both of these students. They will continue the school’s great tradition of being fine representatives of our school.

Have a great week, see you at the Fete!
Michael Ostler

Helpers Needed:
Please see attached “Honour Roll”. We especially require “strong” people to assist with the setting up of the fete from 7.30am.

Kiss A Pig
The money is rolling in. Mr Ostler seems to be winning at the moment and Mrs Massey, Mrs Neilsen and Mr Ranger are feeling a little unloved!

Mr Ostler received a “boost” to his tally when his Lachlan Principal colleagues chipped in $50 to ensure he has success. They are eager for Mr Ostler to be the pig kisser.

Want to help at the fete? If you can spare only half an hour, the best thing you can do is bring your friends and relatives to the fete and support the stalls! We look forward to seeing you here.
**Kids Teaching Kids**

Nicholas Campion, Elly Collins, Zac Collins, Simon Ostler and Gordon Richter undertook a presentation on Ants at the Lachlan Catchment Forum on Friday in Forbes. This was part of extension activities they have been undertaking with Mrs Gersbach each week. Each of these students were excellent ambassadors for Parkes East Public School.

**Rugby League Report**

On May 24 Parkes East played West Wyalong at Pioneer Oval. It was a very hard and exciting game. Even though West Wyalong won, the whole Parkes East team played above themselves. They played as a team, tackled profusely, ran hard and were great sportspeople. To see William Cassell running with about 7 West Wyalong trying to tackle him was inspiring.

When Jake Williams tackled the biggest player on the field, around the legs, so he fell straight to the ground, the whole crowd were on their feet cheering. Kimeka nearly scored, but it took four big boys to put her over the side line, it was heart stopping!

Every person on the team deserves a big thank you for their honest commitment. Thank you Mr Bermingham for your support and encouragement.

**5/D Assembly this Week**
