A BIG THANK YOU to the great helpers who made the lamington making so short and sweet.
A special mention to the grandmothers who provided some extraordinary cakes. Thanks also to the former students and families who helped at both lamington making and at the cake stall on Fete day.

Lachlan Cross Country Representatives
Area Carnival in Wellington this Wednesday
Good luck everyone!

Stacey Ross and Tamara Fagan represented our school and Western Region in Girls Hockey last week at the State Championships. The team finished 5th (out of 20) with a highlight being Tamara's goal! Both girls played well and were great representatives of Parkes East. Congratulations, girls!

School Representatives
We currently have many students representing at higher sporting levels. Apologies for having missed reporting on Kimeaka Evans and Maddison McGrath at the State Soccer.

All students who represent Western Region will be having their photos on display in the foyer in recognition of their achievements. For a smaller sized school we can be very proud of the level of representation achieved by our students.

I hope to see as many parents as possible at the P&C Meeting tomorrow night. The Major agenda item will be the Fete follow up.

Have a great week!
Michael Ostler

Monthly P&C Meeting
Tomorrow, Wednesday, 15 June at 7pm in the Staff Room
All Welcome

Kimeaka Evans and Maddison McGrath represented our school and Western Region in girls football (soccer) in the first week of June at the State Championships. Both girls played well, in spite of the ankle deep mud, and thoroughly enjoyed the experience at State. Kimeaka and Maddi were fantastic representatives of our school! A great job, girls.

Congratulations to the Parkes East Girls Hockey Team who defeated Dubbo North Public School 7 nil today.

Every girl played extremely well and showed great sportsmanship towards their opponents.
